If applicable, the increase due to indexation will apply from the renewal date. However, if you don't require indexation to be applied, please notify us within 60 days from the date of renewal to allow us to adjust your sum insured and premium accordingly. The base rates which

determine your monthly premium haven't changed. We recommend you speak to your financial adviser prior to making any decision about your level of insurance cover.

Payment of your insurance premium

Your insurance premium is deducted from your Cash Account monthly in advance on the first business day of each month. Should your account have insufficient funds to meet the monthly premium, we'll contact your adviser and yourself to address this. Please note that if we don't hear from you, and you don't rectify the situation, your insurance cover will lapse in 60 days from the date of the last missed payment.
