

Voyage Superannuation Master Trust

Product Update

Issued: 19 February 2026

This Product Update is to be read in conjunction with the Voyage Superannuation Master Trust (**Service**) Product Disclosure Statement (PDS) dated 1 June 2024 and any other documents incorporated by reference to the PDS issued by Oasis Fund Management Limited (**Trustee**) in connection with the Service.

Update to the PDS to accommodate investment redemption order change

If there is insufficient available cash in your Cash Account to meet any withdrawal, minimum pension payments, taxes, fees, costs and pending transactions in Australian listed securities, or if the available cash in your Cash Account drops below \$1,000, and you and your financial adviser have not provided instructions to sell investments, we reserve the right to sell down your investment holdings to meet those payments and replenish your Cash Account to a balance of at least \$2,500.

Currently we redeem investments starting with the highest balance, in the following order:

- daily transacting managed funds
- SMAs
- Australian listed securities
- Illiquid investments.

From 19 February 2026 this order will change. We will redeem investments starting with the highest balance, in the following order:

- daily transacting managed funds and SMAs
- Australian listed securities
- non-daily transacting managed funds
- other Eligible Investments

Please note, we may deviate from this order if we have concerns that an investment's liquidity may not allow us to fulfil our obligations as Trustee.

In addition, you bear the risk of your investment directions and the Trustee is, to the extent permitted by law, exempted from liability for any loss you sustain as a result of any investment redemption described above.

This change applies to the following sections of the PDS:

- Your investment instructions - Page 35
- The Cash Account - Holding sufficient cash - Page 35
- Partly paid securities - Page 37
- How to withdraw - Page 42
- Closing your account - Commutation authorities - Page 44
- Release authorities - Page 44
